Pay for school meals and expenses online

Online School Payments

iPayImpact is a secure online payments system that allows you to pay for school-related items for your child(ren) online through your smartphone, tablet and computer.

This service is now available for all Falkirk Primary and Secondary schools.

When your child's school went live, you were given a letter with a registration code. If you require a copy of this letter, please contact your child's school. In the meantime, please sign up for a [MyGovScot](#) account to access other Falkirk Council services through [My Falkirk](#).

MyAccount
Registration and sign-in for your online customer account is powered by the Scottish Government's 'myaccount' service. It checks who you are and allows you to use a single account to access a range of Scottish public services online.

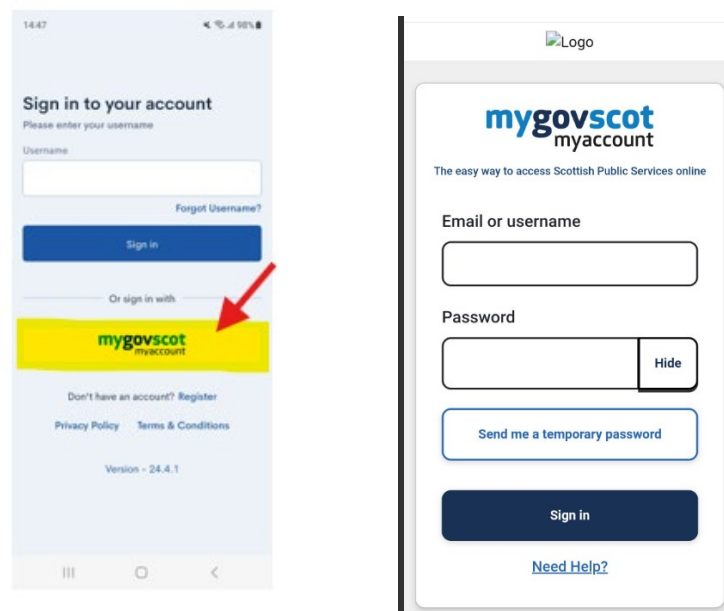

If you are having trouble logging on you can reset your password or visit the help pages from the link provided.

To log on through the iPay impact website you need to select the mygovscot account option. Do not attempt to enter your username or password on this page.

This will redirect you to the iPay – mygovscot login page where you can enter your username and password. If you are having trouble logging on you can reset your password or visit the help pages from the link provided.

If you choose to download the app from your preferred app store you will be taken to a sign-in page when first accessing the app. Select the mygovscot link and sign into your account from there.

If you are having trouble accessing your account help pages are available. The school cannot reset your account or password for you. Help pages and a contact number for the Helpdesk are accessible using the link below.
